**Register now for the IALC 2019 Mexico Roadshow in association with AMTE at the Hilton Mexico City Reforma Hotel in Mexico on Friday 1st February 2019**

**Overview:** Experience a fantastic variety of schools and make lasting contacts with directors and owners from a diverse group of 16 IALC accredited schools and destinations in Mexico City.

IALC selects and accredits over 150 world-leading independent language schools and summer centres that you can recommend to students with complete confidence.

Our IALC accredited schools are regularly inspected to meet our high quality standards and all teach the official language of the country as a main activity to provide students an exceptional learning and cultural experience.

You'll meet with IALC-accredited language centres from across the UK, France, Germany, Austria, Ireland, Italy, Malta, Canada, Australia and the USA.

Registration includes a networking lunch, a full day of meetings with senior representatives from 16 IALC schools and a dinner reception

- Meet and establish partnerships with a fantastic range of decision makers from all around the world.
- Accredited language programmes for all student types.
- Enjoy quality meetings in Mexico City without the expense of international travel.

“

IALC is very excited to be travelling to Mexico in 2019 for this special Roadshow to connect, build and maintain long-term partnerships with quality agencies. The timing of this event is specifically geared for IALC schools who wish to secure strong relationships with key agents in Mexico - before the agents are caught up in their own peak season activities. Reserve your place today!”

Robin Adams, IALC Vice President - Marketing
